Dear Earl:

Thank you for your letter of July 5th and for the subsequent resume of Pressat's article on Chinese population. I have passed the latter on to D/A and will be interested in their comments.

It appears that you have been having an interesting and stimulating time in Colorado, not to mention side trips to the Tetons and Yellowstone. I was lucky enough to be able to get out to the Oregon coast along with my family for a few weeks this summer.

Thank you for your interesting letters. We look forward to your return.

Sincerely,
